

# Bandit Level 0 to Level 1

The password for the next level is stored in a readme file.

Assuming we are continuing from the Bandit Level 0 the command prompt should look like

```
bandit0@bandit:~$
```

Then we use the command `ls` to list the current contents directory

```
bandit0@bandit:~$ ls
readme
```

A file called 'readme' is located in this directory.

Type in: `cat readme` (as we type, we can press the tab key after entering 'r', the first letter of the file name. The whole of the filename should appear without having to enter the whole name)

```
bandit0@bandit:~$ cat readme
Congratulations on your first steps into the bandit game!!
Please make sure you have read the rules at https://overthewire.org/rules/
If you are following a course, workshop, walkthrough or other educational
activity,
please inform the instructor about the rules as well and encourage them to
contribute to the OverTheWire community so we can keep these games free!

The password you are looking for is: ZjLjTmM6FvvyRnrb2rfNW0Z0Ta6ip5If
```

Type in: `exit` (this will close the connection so we can login to the next level)

Move onto Bandit Level 1 to Level 2
