

Bandit Level 14 - Level 15

The password for this level is found by submitting the password we found on last problem to the current level to port 30000 on localhost.

We can use netcat (nc command) to submit the password on localhost over port 30000 to retrieve the password.

```
bandit14@bandit:~$ nc localhost 30000
MU4VWeTyJk8R0of1qqmcBPALh7lDCPvS
Correct!
8xCjnmgoKbGLhHFAZlGE5Tmu4M2tKJQo
```
